

FIGHT ON THE BEACHES

Supporting Australian Cancer Research

Fight on the Beaches (FOTB) is a Northern Beaches based fundraising group dedicated to funding a cure for cancer through **funding Australian cancer researchers in the lab.**

For the past five years the Fight on the Beaches Executive Committee has hosted its signature annual **'Christmas in July' Charity Ball**, which has, thanks to the support of the local community, **raised in excess of \$1.5 MILLION** for Australian cancer research. So far, Fight on the Beaches has funded **ten research projects**, equating to **ten years of research.**

In 2019, the Christmas in July Charity Ball will be held on Friday 5th July at the Miramare Gardens, Terrey Hills. The goal is to raise another \$300,000 for cancer research and we invite you to join us in our mission.
